

Theocracy of Daprav

A DND3e Campaign

This was a campaign originally played at [GUGS \(Glasgow University Games Society\)](#). It should be said that I wasn't a student at the time nor were some of the players, so there isn't any requirement to be involved with the university, merely able to get there on Tuesday evenings.

I've now moved to Merstham in Surrey (just outside the M25) and although I can't go to GUGS I do hope to run more sessions in the Daprav setting with the group I am currently roleplaying with at home.

Click on the links below to find out more about the campaign, it's background, the player characters, some key NPCs and what's happened so far.
